

DESIREE AFTER DARK — OCTOBER LEADERBOARD

OFFICIAL RULES

Effective October 1, 2026

1. SPONSOR

The Desiree After Dark October Leaderboard ("Leaderboard") is administered by Desiree Dulce ("Sponsor").

2. PROGRAM

The Leaderboard is a supporter-recognition program based on eligible tips received during designated Desiree After Dark livestreams. Ranking is determined by disclosed objective criteria; winners are not selected randomly.

The Leaderboard is separate from Desiree's Halloween Drawing and Desiree's Candy Bowl. Leaderboard spending NEVER creates Drawing entries, improves Drawing odds, or creates additional Candy Bowl guesses.

3. ELIGIBILITY

Participants must be at least 18, maintain a valid OnlyFans account, be legally permitted to participate, and comply with these Rules. Void where prohibited/restricted.

4. OCTOBER EVENTS

Designated October 2026 Leaderboard events:

October 1, 7, 14, 21, and 28, 2026. Each event is scheduled for 8:00 PM CT.

Each weekly competition begins when the designated Desiree After Dark livestream begins and ends when that livestream officially ends, unless Desiree clearly announces a different cutoff before eligible tipping begins.

5. ELIGIBLE TIPS

Eligible Tips are gross tips actually received through the designated OnlyFans livestream/event during the applicable weekly period and attributable to the participant's OnlyFans account.

Purchases or payments outside the designated event do not count unless Sponsor clearly designates them as eligible before they are made.

Refunded, reversed, fraudulent, or charged-back transactions may be deducted from weekly/monthly totals.

Platform fees, agency/team splits, and Sponsor's net proceeds do not reduce the participant's Eligible Tip amount; ranking uses the gross eligible amount attributed to the participant.

6. WEEKLY LEADERBOARD

Each event has a fresh Weekly Leaderboard. Weekly Eligible Tip totals reset to \$0 at the start of the next designated event.

A participant must reach at least \$100 in Eligible Tips during that event to qualify for weekly placement/points.

Among qualifying participants:

1st Place = 5 points

2nd Place = 3 points

3rd Place = 1 point

If fewer than three participants reach \$100, points are awarded only to the qualifying placements that exist.

7. STAR OF THE NIGHT — WEEKLY FIRST PLACE

The qualifying participant with the highest Eligible Tip total for that week's event is the STAR OF THE NIGHT and receives:

- 5 monthly Leaderboard points;
- one personalized digital fan-sign/photo in that week's costume; and
- one exclusive personalized approximately 1–2 minute thank-you video in that week's costume.

Weekly prize ARV: \$100

Second and Third Place receive their applicable monthly Leaderboard points but no weekly prize unless Sponsor expressly announces an additional reward before the event.

8. OCTOBER MONTHLY LEADERBOARD

Weekly points accumulate across all five designated October events.

October Monthly Champion is the eligible participant with the greatest total Leaderboard points after the final October event is closed and results are verified.

Weekly dollar totals reset each event; monthly POINTS do not reset until the October program concludes.

9. MONTHLY TIE-BREAKER

If two or more participants finish October with equal points, the participant with the greater total Eligible Tips across all designated October events receives the higher monthly placement. If a further tie remains, Sponsor will apply a neutral, documented tie-break procedure announced to the tied participants.

10. OCTOBER CHAMPION PRIZE

The October Monthly Champion will receive:

- one private 20-minute costume video call with Desiree;
- winner's choice of one eligible October costume for the call;
- one personalized October Champion digital fan-sign/photo;
- one personalized Champion thank-you video;
- one free month of Desiree's paid OnlyFans; and
- recognition as the October Desiree After Dark Leaderboard Champion.

Monthly Champion Prize ARV: \$410

11. RESET

The October monthly competition ends after the final designated October event and verification of results.

October points do not carry into November. If Sponsor offers a November Leaderboard, it begins as a new monthly competition with all participants starting at zero monthly points. Weekly Eligible Tip totals likewise reset for every designated weekly event.

12. TRACKING AND CORRECTIONS

Sponsor will maintain internal records of Eligible Tips and rankings. Reasonable corrections may be made for duplicate records, platform reporting errors, refunds, reversals, chargebacks, fraud, or attribution errors.

Sponsor's records control after reasonable review.

13. PRIVACY AND DISPLAY

Sponsor may display Leaderboard standings using OnlyFans usernames only with permission or using anonymized identifiers. A participant may request that public displays use an anonymized identifier without forfeiting otherwise valid participation. Internal records will still associate the participant with the applicable account for administration.

14. CONDUCT AND DISQUALIFICATION

Sponsor may disqualify a participant for fraudulent transactions, manipulation, chargeback abuse, impersonation, account evasion, harassment, threats, stalking, abusive conduct, collusion intended to falsify rankings, interference with administration, or material violation of these Rules.

15. PRIZE VERIFICATION

Weekly and monthly results are subject to transaction and eligibility verification before prizes are finalized. Sponsor may request reasonable information necessary to verify eligibility/account control. If a participant is disqualified, standings may be recalculated using the remaining eligible participants.

16. MODIFICATION / PLATFORM FAILURE

If a technical or platform issue materially affects tracking, Sponsor may make a reasonable documented correction or, where necessary, modify/suspend the affected competition to preserve fairness.

17. ACCEPTANCE

Participation in the Leaderboard constitutes acceptance of these Rules and Sponsor's reasonable administrative decisions.

18. PRIZE FULFILLMENT AND REDEMPTION

The Monthly Champion's private video call must be scheduled and completed within 60 days after winner verification. Appointments require at least 24 hours' advance scheduling, are subject to mutually available dates and times, and are not available on a same-day basis. The winner may request one reschedule only and must provide at least 24 hours' notice. A winner-requested cancellation or reschedule with less than 24 hours' notice, a no-show, or a second winner-requested reschedule may result in forfeiture of the video-call portion of the prize. A Sponsor-requested reschedule does not count against the winner's one permitted reschedule and will not cause forfeiture.

Personalized fan-signs/photos and personalized thank-you videos, including weekly Star of the Night personalized prizes, will be delivered within 14 days after applicable winner verification and Sponsor's receipt of any information reasonably needed for personalization.

A free month of Desiree's paid OnlyFans must be claimed or redeemed within 90 days after applicable winner verification. Winner delays in providing required selections, personalization information, or reasonable scheduling cooperation may extend Sponsor's delivery timing but do not extend an applicable redemption deadline unless Sponsor agrees otherwise in writing.
